UDEH ONYEDIKACHUKWU SUCCESS [web developer]

ENUGU, NIGERIA +23481699045, +2348073402107 udehsuccess2@gmail.com

PROFESSIONAL SUMMARY

I'm a computer science graduate, passionate programmer and creative full stack web developer.

I am a skilled programmer who likes writing modular codes that are easily maintainable and supports continuous integration. I'm skilled in art of translating design mock-ups and prototypes from apps like Figma into responsive full-fledged web apps using JavaScript, Vue, PHP and Node.js.

I've worked with various companies in the past and gained hands on experience in the field, I'm currently a freelance full stack web developer looking for my next project. In my spare time l work on my personal projects and study to get better.
